YOUNG HOMEMAKERS & YOUNG FARMERS HOLD WORKSHOP

The Young Homemakers and Young Farmers of the Southside Area held a Joint leadership training workshop on Saturday, March 1, 1975, at the Terrace House, Bedford, Virginia.

The purpose of the meeting was to give leadership guidance and training to the Executive Councils and local presidents of the two Organizations. Both groups made plans for the coming year for the Southside Area.

Mrs. Billie Pollok, of Danville, president of the Young Homemakers of Southside and Mr. Tommy Harper, of Bedford, president of the Young Farmers of Southside presided at each session of the workshop. Mrs. Jean H. Goad, Assistant State Supervisor of Home Economics Education and Mr. W. C. Dudley, Assistant State Supervisor of Agriculture Education were consultants for the workshop.

These programs in adult education are sponsored by the Home Economics Education Service and the Agriculturea Education Service of the State Department of Education in cooperation with the local school divisions. Local home economics teachers and instructors of agriculture are advisors of the groups.

Those attending from the Appomattox Chanter were Sam Davidson, State YF - Sgt. at Arms. and Area Supervisor, Mr. and Mrs. W. C. Dudley, Appomattox Assistant State Supervisor, Mr. Glen Anderson, Richmond.

Oakville Senior 4-H Club

The regular meeting of the Oakville Senior 4-H Club was held on Feb. 17, 1975 at the Oakville School. The president, John Jones, called the meeting to order. Pledges were given to the American and 4-H flags. The minutes were dispensed with due to the absense of the secretary. The old business consisted of the election of representatives for the Walk-A-Thon to be held on May 3. They are Gary Harris, chairman, Robert Dyess and R. L. Harris. For the new business Mr. Goldman spoke of a demonstration and illustrated talk contest coming up in April. More details will be presented at the next meeting.

Before the program began, our guest were introduced from the opportunity house in Lynchburg, Va. The purpose of this invitation was to introduce to these young men the opportunities and activities of 4-H. It is our hope to stimulate an interest to get these young men involved in something that lies within their culture and social background. Perhaps more interest should be taken to help more individuals such as these young men.

A program was presented which consisted of a 15-minute film that presented the National 4-H Congress of 1972 in Chicago with former President Nixon as the main speaker. Robert Dyess gave us a briefing of the 4-H activities in the county, showing slides. Refreshments and social activities followed the adjournment of the meeting by the president.

Fasting Growing Church in the County

The Appomattox Baptist Temple Church began seven months ago in July of 1974. From this time on it has begun to grow. The attendance began at only a small amount of people, about 29. The attendance has now increased to the point where there is 107 in our Sunday School and we're still growing.

We have Sunday School classes for all ages and a nursery for the smaller children. Sunday School begins at 10 a.m. Everyone meets in the main auditorium for a few songs, prayer, and devotions. Then, we're dismissed to go to our Sunday School classes. The ages for our classes are 4 to 8 year olds are in Sandra Nicks and Carolyn Irvin's Class, 9 to 12 year olds are in Charlene Elders class, Paul Nash is the teacher for our New Converts Class, and our pastor, Ben Nicks has a class in the main auditorium.

The Sunday morning worship service begins at 11 a.m., this is held in our main auditorium. We have special singing by the choir and some of our church people have beautiful voices also. The pastor preaches his sermon and by 12 or 12:15 p.m., church is letting out.

Sunday night at 6:30 p.m., we have choir practice. Our choir was small to begin with, but it has really grown in these past few months. If you'd like to join our choir, we'd be glad to have you. At 7:15 is our prayer room. This is a time when the ladies meet with the girls and pray, and the men meet with the men and pray. Then, at 7:30, we have our Sunday night service. The Lord truly has blessed in our Sunday night services. On January 26, at our Sunday night service, eight people were saved. Wouldn't you call that a night to remember?

In addition to our Sunday services, we have many other activities going on during the week. Monday night, we have

On April 10, General Order No. 9, Lee's famous farewell address would be composed here. Expressing "admiration" and "grateful remembrance" for his men's "constancy and devotion" to their country and to him, Lee would leave with them and posterity one of the most eloquent and touching farewells ever made by a commanding officer.

Robert E. Lee began the long ride back to Richmond and his family on Wed., April 12. He left behind him not only Appomattox but a career of 26 years as an army officer which began in 1829 at West Point. Lee, the civilian, was going home. (Five years later on October 12, 1870, president of Washington College, he died at age 63 in Lexington - - his last words: "Strike the tent."

Today, Lee's Headquarters is a quiet place. Here no trace of a campfire remains. Gone in every respect are the sights and sounds of large and powerful armies. Only the sentinels of time remain.

Park visitors may walk a loop trail to the site of this historic encampment. Completing the trail, they find themselves gazing out over open fields westward toward the rural village of Appomattox Court House. The view is so much the same as it was 110 years ago that time seems to have stood still - - that the date is March, 1865 and the armies of North and South are over 100 miles away - certainly a long way from Appomattox.

USDA Decreases Loan Interest Rates

Acting Secretary of Agriculture J.Phil Campbell announced on March 4 a decrease, effegive April 1, in the interest rate on U. S. Department of Agriculture Price Support Commodity Loans and Storage Facility and Drying Equipment Loans. The decrease, from 9.375 to 6.125 percent per annum, reflects a decrease to the Commodity Credit Corporation in the cost of money that it borrows.

The decreased rate of interest will apply to outstanding loans, for which applications have been received on or after October 1, 1974, and to new loans disbursed on and after April 1. The adjustment of the interest rate on outstanding loans is in acordance with the policy announced last October 1.
